Designing the future cycling city

David Gelauff

Head of the Amsterdam Bicycle Program

Velo-City Dublin – June 25 2019

City of Amsterdam

- Capital of the Netherlands
- 865,000 inhabitants
- 2.2 million inhabitants in Metropolitan Region Amsterdam

XXX Amsterdam, the cycling capital

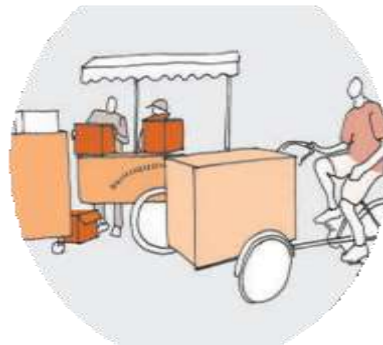

Pressure in the city

✘✘✘ Designing a true cycling city without cars

DE URBANISTEN

CRa
Crisis en herstructuur

VSA | Vervoerregio
Amsterdam

Haven-Stad - redevelopment

- 50.000-70.000 houses
- 45.000-58.000 jobs

Concept for Fietsstad

Flowing infrastructure

Interactive infrastructure

Urban life in the cycling city of the 21st century

Livable streets for everyone

Nodes of urban life

Intersection as a place to meet

Symbiosis between moving and staying

Street profiles of Fietsstad
